Color c

A color picker interface. At the top, a large rectangular area shows a gradient from black at the bottom to red at the top. Below this are two horizontal sliders: one for hue (color wheel) and one for saturation (checkered gradient). At the bottom is an input field with a blue border containing the hex code "BB0000". To the left of the input field is a dropdown menu set to "Hex" with a "▼" arrow. To the right of the input field are two buttons: a magnifying glass icon and a "100%" button.
